DO NOT CIRCULATE

On 10 May 1951, between 11 a.m. and 7 p.m., four single-engine, grey-green, low-wing monoplanes with radial engines and 23 silver jet fighters with swept-back wings were parked at Alt-Loennewitz Airfield.

25X1A

* Comments: the airfield is occupied by two fighter regiments equipped with MIG-15s and one fighter division headquarters. The aircraft of the two fighter regiments The single-engine, low-wing monoplanes observed are probably Yak-11s.
